

PowerLink CEO Circle Locations

Recurring Every Month

Facilitated by an experienced Executive-in-Residence (EIR) who leads non-competitive companies in a peer group setting through monthly sharing & business experience exercises, to help them build stronger business strategies, growth objectives, income objectives, sales processes, operational systems, financial reporting & customer retention processes. Focus is on sales, operations and finance with experiential learning, best practices and issue processing. More mature businesses will cover topics ranging from steady growth planning, operational reporting, leadership development & building strong management teams, culture, succession planning & exit strategy, and taking your business from regional to national to international.

Leveraging the PowerLink Advisory Board Network, various guest advisors will join the conversation throughout the year providing an extra layer of business expertise and insight. Expect to build new connections and receive introductions through this PowerLink engagement.
